

KHOI

Hi. I am KHOI.

Welcome to my page

# Who am I

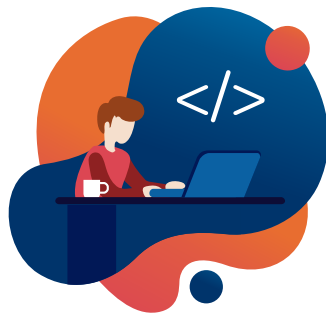

---

👋 *Hey! I'm Khoi Nguyen. I am pursuing a Dual Degree: a Bachelor of Science in Information Technology in Cybersecurity and a Bachelor of Business Administration in Computer Information Systems at the University of North Alabama.*

🚀 *I aspire to work in a fast-growing startup, then start one. In the past, I've worked at 2 startups doing NextJS, React, PostgreSQL, and TypeScript. Outside of work, I enjoy biking and traveling. Would love to connect!*
